GRADUATING SENIORS WHO TOOK CCP CLASSES

If you took classes during high school for college credit, you most likely received the college credit from Edison Community College. In order for that course credit to be transferred to your post-secondary institution, you will need to request that your Edison transcript be sent to the college you are attending in the Fall. You can do this through your MyESCC page on the Edison website, or by typing "request a transcript" in the Search box (www.edisonohio.edu).

Please wait approximately 10 days after final grades have been processed to make your request. If you received college credit from any other institution while in high school besides Edison, visit their website to make a request from them as well.

Winners Meats Employment Opportunities

Anyone who may be interested in the livestock or meat industry is encouraged to consider Winners Meats. They have both part and full-time employment options open at their farm in Greenville and processing plant in Osgood. Contact Brian Winner for a tour or discuss options at 419-582-4321 or brian@winnersmeats.com

Mercy Health Job Shadowing/Volunteering

Opportunities are available to shadow or volunteer at many departments in the Mercy Health network! You must submit a shadowing application at least two weeks prior to the requested shadowing date online here:

https://www.mercy.com/about-us/careers/volunteering/apply-now
- Choose the Lima market in first drop-down menu.
- Choose TEEN SHADOWING for volunteer type.

Contact Heidi Barnett, Mercy Health St Rita's Medical Center Volunteer Coordinator, with any questions.

ACT TEST DATES

You will need to register for the ACT at www.act.org. Testing dates are as follows:

TEST	Deadline to Register	Late Fee Required
June 13, 2026	May 8, 2026	May 29, 2026
July 11, 2026	June 5, 2026	June 24, 2026

Do NOT wait until the last minute to register as it takes about two hours to complete the first time! It is recommended that juniors who are planning to go to college take the test for the first time no later than the December administration. Seniors who are taking it for the first time should take it as soon as possible! The ACT is the test score that colleges in this area want to see.

When you are completing the ACT Registration Form, you will need to list the colleges that you want your score sent to. Make sure you are including your most likely choices in this list. Larger colleges like Ohio State, Univ. of Miami, and Univ. of Cincinnati require that they receive your scores directly from the ACT company as well as from your high school.

- Colleges recommend that you take the Optional Writing and Science sections of the ACT at least one time. Colleges use the scores differently, but want to see that you have attempted them at least once. If you have questions about a specific college, see Mrs. Meyer.

ACT PREP WEBSITES AVAILABLE!

www.march2success This website offers free ACT practice tests and flashcards you can download. It is sponsored by the military, but when creating an account, you can indicate if you want to be contacted by a recruiter or not.

www.kaptest.com/act/free/act-free-practice-test Free Kaplan Live ACT Test Prep

www.actstudent.org/academy (free)
Visit the official ACT student website and view video lessons, interactive practice questions, full-length practice tests, educational games, and other materials targeted to a student's academic/testing needs. ACT Academy provides learners with a personalized study plan based on pervious scores from the ACT test, Pre-ACT, and official ACT practice tests.

www.act.org (free) In the SEARCH box, type "Free ACT Practice Resources"

www.number2.com/exams/act (free)
This site allows students to register to take free ACT Practice Tests, and offers test-taking tips!

www.infohio.org (free)
Go to the Learning Express Library. Register as a student, and here you will find free on-line prep courses and free down-loadable prep books to help study for the ACT!

- There are also various resources available at a cost. Copies of some of these preparation books can also be found at local libraries or can be found on-line.

***** The Guidance Office has 2 ACT Prep Guide Books and 2 CDs to loan out for your preparation! See Mrs. Meyer or Mrs. Kreitzer if you are interested!**

SAT TEST

If you wish to take the SAT, register at www.collegeboard.org.

SCHOLARSHIPS

Shelby County Ducks Unlimited- This $500 scholarship is open to students pursuing a degree and carer in wildlife management, environmental studies, ecology, forestry, and the like. Applications are available in the guidance office. **Deadline to apply is May 15th.**

Playing Athletics in College?

Juniors and Seniors: If you are interested in playing athletics in college, you must register with the governing body of the athletic league to which the college you are playing in belongs. It is preferable to do this at the end of your Junior year in high school. If you are looking into playing at a Division I or II school, you must register with the NCAA Eligibility Center (www.eligibilitycenter.org).

When taking your ACT or SAT, designate the NCAA as one of your "College Choices" by entering the code "9999". The NCAA must receive your score directly from the company; they will not take it off of your transcript from the high school.

If you are looking into playing at an NAIA school, you must register with the NAIA Eligibility Center (www.playnaia.org). If you register with either one of these centers, please let Mrs. Meyer know so that she can forward more information to the sites when asked for it. Complete lists of schools and their affiliations can be found at each website. You are urged to keep in close contact with college coaches you may be working with to ensure a smooth transition from the high school to college arena.
