From the Presidents...

Labor Day may mark the unofficial end of summer, but there should still be plenty of good weather so that you can enjoy outdoor activities for a while longer.

As we approach the end of September our thoughts will turn to Rosh Hashanah and Yom Kippur. If the services have already started when entering the sanctuary, please be as quiet as possible so you won't create a distraction for those already there. As a courtesy to our officiates, please refrain from conversations with your friends and relatives until the services have concluded for the day. If you are scheduled for an Aliyah try to be there before the Torah Service starts which is usually around 10:15 and plan to stay until the service is over.

The officers and directors of CTI as well as the *Newsletter* staff wish you all L'Shanah Tovah and may you be inscribed in the Book of Life for health and prosperity.

Shalom
Jerry Pressman, President

HIGH HOLIDAY ANNOUNCEMENTS

Congregation Tifereth Israel would like to encourage everyone to attend High Holiday services in person in the synagogue this year. Daytime services will begin at 9:30. Please bring your own yarmulke and tallis. We will be offering a Zoom* option (with the prayer book being displayed on screen) for **all services**, with Zoom viewers muted at all times. The service for Erev Rosh Hashanah and Yom Kippur Neilah (Afternoon) are not in person, **but only on Zoom.**

Please respond to the High Holiday mailing you received to accept your Aliyah, make your annual pledge, or bid on an honor. If you would like to make a Haftorah donation in memory or in honor of someone, but do not wish to read on the bimah, Betty Polonsky has graciously offered to be a designated reader.

A Peabody police officer has been requested to provide security on the first and second day of Rosh Hashanah and on Yom Kippur.

***Please Note**: The link and password will be sent by email, but will not be published in any print media due to security considerations, so please be sure we have a valid email address on file.
