CANDLE LIGHTING TIMES FOR SHABBAT:

January 7	4:10	February 4	4:44

January 21	4:26	February 18	5:02
January 28	4:35	February 25	5.11

From the President...

To avoid any further problems with our aging trees falling during the winter months, it was decided to remove them. I would like to thank Jay Polonsky for all his hard work in getting estimates and making arrangements with the condo association behind our synagogue to allow the tree service to stage trucks on their property and work from there. Now we no longer have to worry about another tree falling on our next door neighbor's property like one did in the wind storm just before Thanksgiving.

The holidays have past, and we find ourselves starting the third year of Covid 19. This has caused us, as well as all houses of worship, to learn many new ways of doing what we always took for granted. While there have been many bumps in the road, we have managed to continue to hold Shabbat services as well as the High Holiday services. As a result of the ever-changing risk levels, we will not hold services in the synagogue again until April. Until then we look forward to seeing everyone on Zoom to celebrate Shabbat and community.

This spring we will hold an election of officers and Board Members to lead us as we enter the second century of our existence. I encourage every member to consider stepping up to join our executive team, bringing new ideas and energy to our Congregation. CTI needs you!

Jerry Pressman, President

Greetings to all members of the Ladies Auxiliary and the CTI Congregation. I am writing to inform you that I have decided to resign as President of the Ladies Auxiliary.
